

Winter/Spring 2021 GCSE & IGCSE Exam Prep Courses

"Just writing to let you know that I got a nine in sociology! Thank you for your wonderful teaching of the course. It was engaging and interesting throughout and I could not have got that mark without your skills and support."

Course: BE1 IGCSE Business "EXAM SKILLS" (6 weeks £75) (Edexcel)
Learn, practice and refine your exam skills, via a range of activities and homework; this course covers command words, connectives, structure, context and other key exam techniques.

Course: PE1 GCSE Psychology "EXAM SKILLS" (6 weeks £75) (Edexcel)
This course covers a range of exam techniques: incl. command words, point development, structure. Learn, practice and refine your exam skills, via a range of activities and homework.

Course: ECE1 IGCSE Economics "EXAM SKILLS" (6 weeks £75) (Edexcel)
Interpreting exam questions and developing detailed, well-structured exam answers is key to success in IGCSE Economics. A range of activities and homework tasks build these skills.

Course: SE1 GCSE Sociology "EXAM SKILLS" (6 weeks £75) (AQA)
This course teaches a range of skills needed to develop efficient and detailed answers that allow the learner to clearly express their knowledge, using the best structures and methods.

Course: GE1 IGCSE Geography "EXAM PREP" (6 weeks £75) (CIE)
This course covers key topics, research methods, analytical skills and the use of case studies to maximise your opportunities for success on exam papers.

Course: EME1 IGCSE Environmental Management "EXAM PREP" (6 weeks £75) (CIE)
This course covers key topics, research methods, analytical skills and the use of case studies to maximise your opportunities for success on exam papers.

Course: EL1 IGCSE English Language "INTENSIVE" (15 weeks £115) (CIE, Edexcel)
Covers all of the skills and strategies required for exam success, through the study of a range of engaging extracts and writing exercises - with detailed and personal feedback.

Course: EL2 IGCSE English Language "EXAM SKILLS" (6 weeks £75) (CIE, Edexcel)
Hone and refine your exam skills; this course covers key skills and strategies and offers insights into each of the different question types that appear on the exam paper.

Course: EL3 IGCSE English Literature "INTENSIVE" (15 weeks £115) (CIE, Edexcel)
Covers all of the skills and strategies required, through the revision of the set texts, reviewing key context, events, themes and characters, focussing on interpreting language, form & structure.

Course: EL4 IGCSE English Literature "EXAMS SKILLS" (6 weeks £75) (CIE, Edexcel)
This course covers the key aspects of analysing poetry, prose and drama and helps improve the quality of your writing with a focus on the exam assessment objectives.

Course: ES2 IGCSE Shakespeare "REVISION" – Romeo and Juliet (8 weeks £80)
Revise significant aspects of context, review key scenes with a focus on analysing the use of language, form, and structure; explore key themes & character development.

Course: EM2 IGCSE Modern Drama "REVISION" – An Inspector Calls (8 weeks £80)
Revise significant aspects of context, review key scenes with a focus on analysing the use of language, form, and structure; explore key themes and character developments.

Course: EB2 Skills Builder – Creative Writing (6 weeks £60)
An engaging and gentle approach to planning, interesting structural devices, ambitious vocabulary and literary devices, proofreading and editing.

Course: EB4 Skills Builder – Transactional Writing (6 weeks £60)
Focuses on identifying the purposes of non-fiction texts, examining their structure and use of language, planning our own writing to incorporate all relevant requirements.

Our courses offer a range of assignments and assessments throughout the duration of the course. These are marked and detailed, personal feedback given. In addition, we have extensive experience working with, and have built positive relationships with, many exam centres across the UK to provide 'course evidence' and 'evidence of progression' if and when that is required
